Revised 1.3.2020

The Planning & Development Services Department is here to assist you with your development application pursuant to the Community Development Code (CDC).

This publication outlines the Vested Property Rights Development Application process of the CDC and also provides the submittal requirements for such development application.

Contents of the Publication

This publication is intended to address the submittal requirements for establishing a Vested Property Rights Development Application consistent with the Vested Property Rights Process. However, it is each applicant's responsibility to review the CDC and any associated regulations to ensure a full understanding of the development application process.

Development Review Process

Vested Property Rights Development Applications shall be processed as a class 4 application as provided for in the CDC, with a Design Review Board (DRB) recommendation and Town Council approval. An applicant may concurrently submit a Vested Property Rights Development Application concurrent with the other required development applications as set forth in the CDC where a site specific development plan is being created (final SPUD, final MPUD, design review process, etc.). A developer may also request the extension of previously created vested property rights pursuant to this development application process. The class 4 development application process generally consists of the following steps:

- Step 1: Pre-submittal Meeting with Applicant and Planning Division**
- Step 2: Applicant Development Application Submittal**
- Step 3: Planning Division Development Application Completeness Check**
- Step 4: Planning Division Development Application Referral and Review**
- Step 5: Planning Division Follow-up Communication**
- Step 6: Applicant Plan Revisions**
- Step 7: Planning Division Schedule Review Authority Public Hearing**
- Step 8: Applicant Public Noticing (Minimum of 30 days prior to hearing)**
- Step 9: Planning Division Preparation of Staff Report**
- Step 10: Design Review Board (Recommendation) and Town Council Public Hearings**
- Step 11: Review Authority Action**
- Step 12: Planning Division Provides Notice of Action**
- Step 13: Effective Date of Application Decision and Appeal**
- Step 14: Length of Validity (12 months)**
