Cart design description

Our cart (and prices) are more or less the same as it has been for our 20 + years operating in Heritage Plaza and we plan to keep it that way for the next 20 years!

We have a small wooden cart on wheels (60" x 36" x 40") with signage on the front and sides. We also have an umbrella we put up when weather requires (we're open everyday snow or shine). We mount ski/board tuning vices to the top of cart that we use to wax skis/boards. All of our tools and wax are contained within the cart and we keep a clean and tidy appearance at all times.

Our waxes are eco-friendly and biodegradable but we still put down a outdoor mat to help keep the plaza extra clean, which we also thoroughly sweep everyday.
